Disclaimer: For non-medical personal use only. Wearing an ETHICA mask is not recommended as an exclusive preventive measure against the spread of viral or bacterial particles and should not in any way substitute or replace the recommendations made by the authorities regarding community propagation, including social distancing, hand washing, etc. Washing the mask is recommended upon receipt and after each use. Hand washing is also recommended after handling the mask.

Adult-only mask (style 100007U). Cords longer than 8 inches (20 cm) represent a strangulation risk for babies and children. Keep this mask out of reach of babies and children.
