Please note: Fine lines have a tendency to break and/or appear broken when printing on cloth materials. Some fine details may be lost during printing as well as fade quickly after printing. Imprint will deteriorate with washing and normal use and this is not considered a defect. Thin lines and fine type may be difficult to read or break up when printed on the fiber loops of this product and as a result imprint will vary from piece to piece. INTENDED FOR DRY USE ONLY. Small shifting of imprint cannot be avoided when printing.
